## Business Spotlight:

# Ashton Car Wash

Mike Dolezal from Chester moved to our area back in 1996 from Wyoming to help start up Fremont Telecom. After being in the telephone industry for 37 years, Mike retired last year.

Seeing an opportunity and a community need, Mike purchased the **Ashton Car Wash** in January 2018.

The **Ashton Car Wash** has 2 self serve bays. One is an outside bay to accommodate campers, trailers, and other larger vehicles. The other is an automatic car wash. **Ashton Car Wash** also has vacuum services available. Mike tries to keep the **Ashton Car Wash** open year around, but when the temperatures drop it will need to be closed until it warms up again.

If you have any questions or have suggestions on how to make the **Ashton Car Wash** better, the number to call is displayed at the car wash. Mike is very happy to have this opportunity to serve the Ashton community. We at the Ashton Area Chamber of Commerce are glad to have the **Ashton Car Wash** as one of our new members this year and to have this service available in our community.

# Trunk or Treat

Thank you once again to all who participated in the Trunk or Treat this year. We had 13 Trunk entries and approximately 300 trunk or treaters. It was a great evening. Congratulations to Danalyne Goodwin, Hannah's Gathering Circle, and Disaster Restoration for being our top 3 winners this year. Also, we'd like to welcome Natalie Pauley. She will be the new chair of this event next Halloween.
