ASHTON VISITOR CENTER REDEDICATED

On Monday, September 23rd, Idaho Department of Parks and Recreation announced the rededication of the Ashton Visitor Center. This event marked the completion of significant renovations to better serve visitors, ensuring that the facility remains a vital resource for locals and travelers alike.

Recently purchased by Idaho Department of Parks and Recreation, the Ashton Visitor Center has undergone a comprehensive upgrade. Key improvements include a brand new roof and windows, freshly repainted exterior, a complete overhaul of the restrooms, and a new furnace, pellet stove, and added insulation, allowing the facility to stay open year-round. Additionally, the facility now boasts a new ADA-compliant entrance ramp and bathroom configuration, ensuring all visitors can enjoy the visitor center comfortably.

Idaho Department of Parks and Recreation is incredibly excited about the improvements made to this facility, and would like to extend a heartfelt thank you to the City of Ashton officials & staff, and the Ashton Chamber of Commerce for their unwavering support through this project. Their dedication and collaboration were instrumental in making these improvements happen, ensuring the Ashton Visitor Center can continue to be a welcoming destination for years to come.

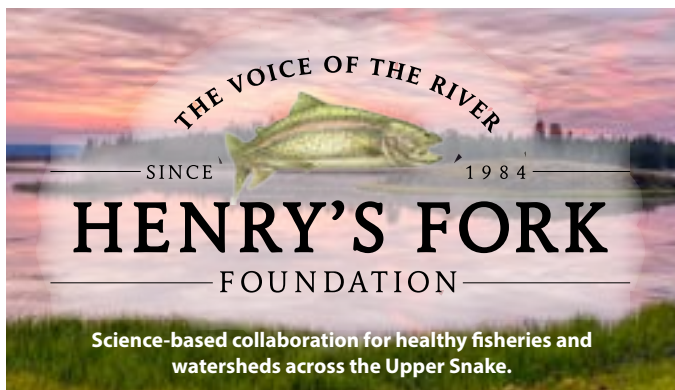

Thank you to all who attended this ceremony to celebrate this exciting milestone for Idaho Department of Parks and Recreation and the Ashton community.
