BUSINESS SPOTLIGHT

ANDREAS IN STYLE BOUTIQUE

📍 518 Main Street 📞 (208) 534-1165

Greg and Andrea Simpson are from Utah and Nevada. They met each other in the late summer of 2012. That fall they were married and between the two of them have six children. Not enjoying the city, Greg brought Andrea to visit our area in 2015. Having lived here years before moving back to Utah, Greg thought that Andrea might like the smaller community feel. Well, Andrea fell in love with our small community and our beautiful scenery. Greg and Andrea made Ashton their home in the spring of 2016.

In 2015, Andrea started her online business, Andrea's In-Style Boutique, selling leggings. After moving to Ashton, she had a booth in the park during the 4th of July. It was a springboard for her business! Andrea met many of the community members and they began spreading the word of her products and very affordable prices. By September, she was renting her own business on Main Street. After a year, the business and demand had grown and she moved into her current location, across the street at 518 Main Street. There she began renting and expanding her business beyond leggings. Andrea's In-Style Boutique offers clothing from newborn size all the way up to adult sizes for both men and women. She also has a variety of shoes, hats and gloves for wintertime, purses, wallets, jewelry, hair accessories, and even comfy sheets for your bed! Learning
