## DESIGNS 208

📍 11210 S. Bellerive Dr., Idaho Falls 📞 (208) 351-5160

Designs 208 is located in Idaho Falls, but the owner, Westley Hansen, is as local as they come. Being born and raised in Ashton and still having relatives and friends reside, Designs 208 is very involved with the Ashton community from working with local Ashton businesses on a regular basis and being involved annually with the American Dog Derby. We strive to assist businesses of all sizes with branding, whether it's a new logo design, marketing materials or custom apparel. We pride ourselves

in being a one-stop shop for everything a business needs.

Designs 208 was awarded Idaho's Best in Graphic Design for Eastern Idaho and State Wide in 2022, since then they have been nominated for Idaho's Best in Graphic Design and Screen Printing. Recently they won Best of Business Rate 2024, Idaho Falls, in Graphic Design which is based off of recent reviews ranked. We are pleased to be a part of the Ashton Chamber of Commerce and can't wait to be more involved in the community.

## Highway 20's Future Route Cause for Concern

The Idaho Transportation Department's long term plans for Highway 20 could see a major relocation of the route far to the west of Ashton and necessitate an overpass that would cut off Ashton from the flow of traffic that many businesses depend on. In the spirit of supporting local businesses, the Ashton Chamber of Commerce will be hosting a community meeting with a representative from the ITD. We encourage all who are able to attend the meeting and voice their concerns about the economic impact for the Ashton area.

Meet With ITD Rep: April 30th, 6:30pm
