

## EXPLORE ASHTON, IDAHO

### Your Summer Adventure Starts Here

We recently received an email from a traveler who is visiting Ashton in July. We gave them the following suggestions and thought we'd share with our newsletter audience. Whether you are a local or a visitor, hit these local spots for unforgettable summer fun.

#### Mesa Falls

A must-see when visiting Ashton, Mesa Falls features spectacular upper and lower waterfalls surrounded by lush forest. The scenic byway leading to the falls is beautiful in itself, and a stop at Warm River along the way is well worth it. Feed the fish or enjoy a relaxing float down Warm River or the Henry's Fork—perfect for families and casual adventurers alike. For river gear and shuttle service, check out Rapid River Rentals (<https://bit.ly/44ZCh9T>).

#### Cave Falls & Horseshoe Lake

Located in the southwest corner of Yellowstone National Park, Cave Falls is a wide and powerful waterfall with minimal crowds and peaceful surroundings. On your way there, stop at Horseshoe Lake, a hidden gem perfect for fishing, swimming, and paddleboarding. It's a quiet spot that captures the essence of Idaho's wild beauty.

#### Harriman Horseback Rides

Saddle up for a ride through the open meadows, forests, and riverside trails of Harriman State Park. Book a guided trip with Dry Ridge Outfitters (<https://bit.ly/46d6CUw>) for a memorable horseback
