August in Ashton means the sweet spot of summer — the Fremont County Fair is in full swing, and before you know it, SD215 students will be back in the halls on August 17th. Summer isn't over yet, but Ashton is already shifting into that golden back-to-school groove. Here's what's happening in your community this month.

Paving Project Nears Completion

The Ashton-Tetonia Trail paving project is underway! Several parking areas and trail sections are currently closed during construction, with only the Grainville and France Parking Areas open to the public. The Ashton to Fall River Trestle section is expected to reopen by mid-August, weather permitting.

A heartfelt thank you to the Idaho Department of Parks and Recreation for shepherding this project. The goal is to attract more users and reduce annual maintenance costs — and based on what paved

trails have done for other Idaho communities, the economic and recreational benefits for our area could be significant. The Ashton-Tetonia Trail is one of eastern Idaho's crown jewels, and we're grateful to everyone who invested in making it even better.

THE Fremont COUNTY FAIR

Scan for the digital fair guide & swipe sideways to see all the fun events & activities this year.

The Fremont County Fair is back, and this year it's bigger and better than ever! Taking place at the Fremont County Fairgrounds in St. Anthony, the fair is packed with something for everyone — from the thundering excitement of horse pulls, truck and tractor pulls, and a demolition derby, to the All Decades Big Rig and Bike Show featuring trucks and bikes of every era. Music

lovers won't want to miss five nights of free concerts featuring Opskamatrists (Aug. 4), Keagan Park (Aug. 5), Green Band (Aug. 6), Justin JJ Jones (Aug. 7), and Dawson Moon (Aug. 8). This year also brings a brand-new event to the fairgrounds — a Ranch Rodeo on August 4th at 6:00 PM, where

local teams will compete in wild cow milking, wild cow riding, trailer loading, team roping, and team barrel racing. Admission is free for spectators, and there's added money and prizes in every event. Of course, the fair classics are all back too — the youth rodeo, live fish pond, farmers market, antique tractors, and the ever-popular livestock projects where you can cheer on local youth and their hard work. Got a hidden talent? Bring your own entries to showcase! And don't miss the sourdough contest — or the hunt for those elusive fair t-shirts. We can't wait to see you there!
