“Nestled at the southern edge of the Yellowstone Caldera, Ashton is a place like no other — and the Chamber is proud to call it home.”

When you think about what holds a small town together, the answer is often found in the organizations that quietly do the work behind the scenes — connecting businesses, welcoming visitors, and championing the community’s future. In Ashton, that organization is the Ashton Area Chamber of Commerce, and this month, we’re turning the spotlight on ourselves.

Who We Are

Located at 512 Main Street in Ashton, Idaho, the Ashton Area Chamber of Commerce is a non-partisan, community-driven

organization dedicated to the progress and welfare of Ashton and the surrounding area. We serve as the central hub connecting local businesses, residents, visitors, and newcomers — and we’ve been doing it for over half a century.

Our mission is simple: make Ashton a better place to live, work, and visit. Whether that means promoting local businesses, organizing beloved community events, or helping families relocate to our corner of eastern Idaho, the Chamber is here to make it happen.

What We Do

The Chamber wears many hats. Here’s a snapshot of what we’re up to year-round:

- **Promoting Local Business**
Our online member directory at ashtonidaho.com connects visitors and residents with local

shops, restaurants, lodging, services, and more. Sponsored and featured listings give businesses extra visibility with the nearly two million visitors who pass through the Ashton area each year.

- **Welcoming Visitors**
Ashton sits at the crossroads of the Mesa Falls Scenic Byway and the Teton Scenic Byway — just 45 miles from Yellowstone National Park and 30 miles from Grand Teton National Park. We help travelers make the most of everything our region has to offer, from world-class fly fishing on Henry’s Fork of the Snake River to snowmobiling, wildlife watching, and hiking.
- **Community Events**
The Chamber helps

support and promote Ashton’s signature annual events, including:

- *The American Dog Derby*
- *Mountain Man Rendezvous*
- *4th of July Celebration*
- *The Mesa Falls Marathon*
- **Relocation Resources**
Thinking about making Ashton home? We provide resources on local schools, churches, healthcare, government services, and the area’s notably lower cost of living — often 20 to 50 percent below other western cities.
- **Monthly Meetings**

The Chamber is only as strong as its members. When local businesses and community members invest in the Chamber, they're investing in Ashton itself — in its economy, its reputation, and its future.
