WHITE PINE
Spa, Salon and Mercantile
BUSINESS SPOTLIGHT

White Pine Spa, Salon, and Mercantile is Ashton's premier destination for wellness, beauty, and relaxation — a full-service establishment that brings big-city amenities to the heart of small-town Idaho. Located at 604 Main Street in downtown Ashton, White Pine has built a reputation as the go-to spot for locals and visitors alike who want to look good, feel great, and take care of themselves without making the drive to a larger city.

The menu of services at White Pine is impressively diverse. On the wellness side, guests can unwind in an infrared sauna, rejuvenate with red light therapy, or

work up a sweat in the 24-hour gym — making it easy to fit fitness and recovery into any schedule. For those seeking beauty and aesthetic treatments, White Pine offers hair salon services, tanning, spray tans, lashes and brows, aesthetics, and Botox administered by trained specialists. It's a rare combination of services that speaks to the broad vision behind the business.

Behind every great experience is a talented team, and White Pine's roster of specialists — including Savannah Graves, Jasmine Cutts, Lesli Blanchard, Allyssa Reece, and Renee Sullivan — brings skill, warmth, and professionalism to every appointment. Before
